

TIMESHARE CAREER OPPORTUNITIES

ONE INDUSTRY — ENDLESS OPPORTUNITIES

HOSPITALITY/RESORT OPERATIONS

To run the hundreds of resorts worldwide that are a part of this great industry, there are thousands of positions you would find at any typical resort or hotel, and a few unique to our industry.

Common jobs

Front Desk Clerk, Resort General Manager, Activities Supervisor, Restaurant Manager

Not-so-common jobs

Chief Fun Officer, Owner Services Representative, Resort Historian

CORPORATE SERVICES

Timeshare companies come in all shapes and sizes. To make them successful they need individuals with finance, information technology, accounting, legal, human resources, and tax backgrounds.

Common jobs

Accountant, Human Resources Specialist, Controller, Paralegal

Not-so-common jobs

Currency Trader, Tax Specialist, Privacy Professional, Web Security Specialist

REAL ESTATE / DEVELOPMENT

If you like real estate, you're going to love working for a company that develops resorts in choice destinations worldwide. Timeshare companies employ individuals to identify development locations, build new resorts, and renovate existing resorts.

Common jobs

Real Estate Developer, Construction Manager, Financial Analyst

Not-so-common jobs

Interior Designer, Architect, Land Entitlements Specialist

SALES & MARKETING

Today's timeshare products are sold by highly trained and regulated professionals and supported by a team of support staff dedicated to helping families understand the value of vacationing and the incredible role timeshare products can play.

Common jobs

Salesperson, Telemarketing Specialist, Tour Guide

Not-so-common jobs

Graphic Designer, Social Media Specialist, Photographer, Website Developers

#LoveWhatYouDo

WHERE DO I FIT IN?

Just about anywhere! The timeshare industry requires an array of skillsets and has a place for your unique talent. With a wide range of employment and advancement opportunities, you'll enjoy great potential for job growth and satisfaction. **So the real question isn't where you fit in. It's where don't you?**
